

WHAT GIDEONS DO ?

Hotels and Motels, cabins, camping grounds & walking huts

The Gideons first placed Bibles in Hotels in 1908. Over the years many lives have been changed because of Bibles placed in hotel and motel rooms. The Word of God placed by Gideons often meets the needs of travellers in times of loneliness.

Jails and Prisons

Scriptures are made available to all prisoners with many acknowledging that they found forgiveness and peace as they have read God's Word.

Schools

New Testaments with Psalms and Proverbs are distributed to students in Year 9 at both public and private schools.

Hospitals

Scriptures placed in Hospitals by the Gideons continue to be a source of comfort and strength for both patients and their loved ones.

Tertiary Students

We are privileged to visit Universities and Polytechnics around NZ, distributing our small New Testaments with Psalms and Proverbs. Other facilities visited, include Early Childhood Education Units, Nanny & Nursing Schools.

Professional Rooms

Solicitors, Accountants, Doctors, Dentists & Vets and other medical facilities are offered Bibles to place in their waiting rooms.

Convalescent and Rest Homes

Large print New Testaments are available for residents in these Homes.

Church Relationships

Gideons International view themselves as an outreach or missionary arm of the local church. We are part of the church, we go outside the church to bring people into the church.

Gideons offer New Testaments to Year 9 students.

A 17 year old boy who lives in Browns Bay, was about to commit suicide and thought, before I do this, what can I do for my Mum?
I know, I will tidy my room. Whilst doing this he found in his drawer, a small blue Bible given to him by the Gideons who had come to his school.
He thought, I have never read this, so he began to read it and the Word changed his life completely.
